

INTRODUCING (LIFT MO) PROJECT

Learning Independence so Families Thrive

ABOUT LIFT MO

The LIFT MO Pilot Project is a collaborative effort established to connect families enrolled in the TANF program with a resource advocate. Advocates help enable, empower, and assist families in accessing and navigating resources that will help them in their journey.

WHO CAN PARTICIPATE?

Families who are actively **or** newly enrolled in the TANF program, and live in Dunklin, Mississippi, New Madrid, Pemiscot, Scott, Stoddard, St. Louis City, or St. Louis County.
